

VILLAGE OF WRENFIELD

210 Mill Street · Village Hall 555-0100

Fall Hydrant Flushing, October 12 to 16

Public Works crews will flush fire hydrants across the village from Monday, October 12, to Friday, October 16, between 7:00 a.m. and 3:30 p.m.

Flushing clears sediment from the water mains and checks that every hydrant works. While crews are on your street, your water may look rusty or cloudy. It is safe, but avoid doing laundry until it clears. Run your cold water tap for a few minutes, and it should run clear.

If your water is still discolored after 24 hours, call Public Works at 555-0127.

Dale Pruitt, Public Works Director. Posted September 30, 2026.
